

SPACE CITY PINBALL LEAGUE

QUICK START GUIDE

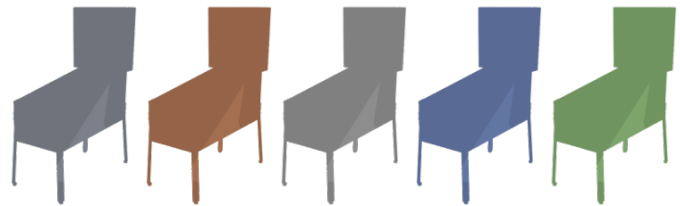

1

Each week, players are randomly placed into groups of four or three.

2

Groups are randomly assigned to play on five games.

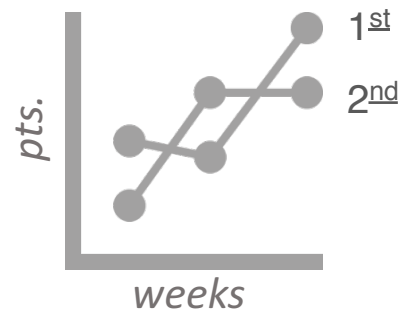

3

For each game, players earn points based on their finishing position.

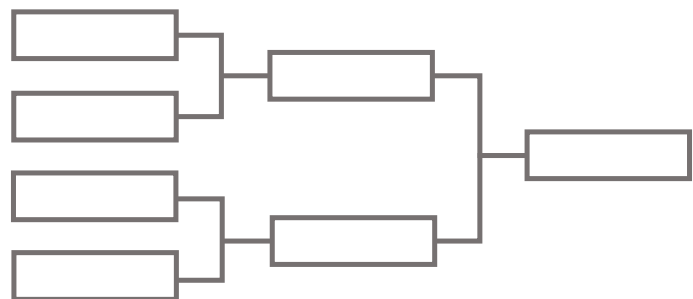

4

The total points earned each week accumulate across the season. Players are ranked according to their overall score, after dropping their two lowest weeks.

5

After the regular season concludes, the top players compete in the playoffs. A minimum of four weeks attendance is required to qualify for the playoffs.

6

It costs \$20 to play in the league. Guest players can play at no charge for up to three weeks. League dues are used to cover trophies, cash prizes, and league expenses.
